

Find a Provider That's Right for You

Tiers 1, 2 and 3

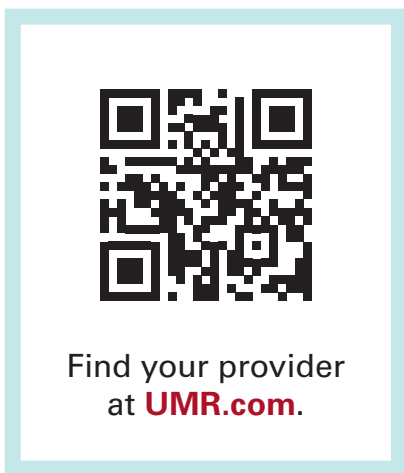

As part of the medical plans offered by Nebraska Medicine, participants can choose to receive services from three tiers of providers (doctors, hospitals, other health care practitioners and facilities) in the Nebraska Medicine Provider Network (see chart below).

- **Tier 1:** Lowest cost to you.
- **Tier 2:** Slightly higher cost to you.
- **Tier 3:** Highest cost to you.

Be sure to validate the tier of the provider/facility when scheduling an appointment.
